hello my name is Diane Seidu and I am (cofounder) and partner with Al Gray (founder) in the world's first full length faith based clothing line named Prayer Wear Gear Inc. I am seeking capital for inventory, advertising via tv, radio, and internet, and expansion in various markets. Please feel free to visit our website at www.myprayerwearegear.com. Secular clothing lines representing hip-hop consumers have thus far filled the vacuum capturing today's faith based Youth. Our mission is to represent our Lord Jesus Christ in the realm of fashion! Our spokesperson, Emmanuel Yarbrough (aka tiny) the world's largest athlete as featured in the Guinness Book of World Records as well as on the Maury Povich Show, Good Morning America, Oprah Windfrey. We are very excited about this venture and would love your financial assistance to help us grow. my email address is diane_seidu@yahoo.com. office phone is 402-714-6456 or 770-996-1680
